REFERENCE

Santosh Sah - Next.js Intern Supervisor
Pracas Upreti - Mern Stack Intern Supervisor

PROFILE

Full-Stack Software Developer with 6 months of internship experience across Next.js and MERN Stack, building production-ready web applications for real-world projects. Experienced in Next.js, React.js, TypeScript, Node.js, Express.js, MongoDB, PostgreSQL, Python, and REST APIs, with hands-on experience in authentication, RBAC, database design, API integration, and responsive UI development. Built end-to-end projects including AI-powered healthcare, job portal, and community platforms, with a strong focus on problem-solving, writing clean and maintainable code, adapting to new technologies, and continuously improving through hands-on learning.

WORK EXPERIENCE

Next.js Intern
Jan 2026 - Mar 2026
Inflancer Technology

- Worked as a Next.js Developer Intern at Inflancer Technology, developing responsive web applications using Next.js, React.js, TypeScript, and Tailwind CSS. Collaborated on API integration, UI optimization, debugging, and real-world client projects while working in an agile development environment.

MERN Stack Intern
Jun 2026 - Aug 2026
SriYog Consulting Pvt. Ltd.

- Built a scalable CMS using the MERN stack with secure RBAC, CRUD operations, Supabase Authentication, PostgreSQL, REST APIs, testing, deployment, and performance optimization while developing responsive admin dashboards with Next.js and TypeScript.

PROJECTS

2024 - Present

- **Medicare Nepal** – AI-powered healthcare platform with RBAC, real-time WebSocket communication, medicine information, symptom assistance, and personal health records, built with Next.js, Node.js, Express.js, MongoDB, and Gemini API. **Web**:- **https://medicarenepal.vercel.app**
- **Jobde** – Full-stack job portal with RBAC enabling companies to post and manage jobs while job seekers can discover, apply, and track applications, built with Next.js, TypeScript, PostgreSQL, Prisma, and Tailwind CSS. **Web**:- **https://jobde.vercel.app**
- **LPM** – Dynamic non-profit website with a custom CMS and admin dashboard for managing website content and UI sections, built with Next.js, TypeScript, Tailwind CSS, Supabase, and SQL. **Web:**- **https://lpm.org.np**

EDUCATION

Bachelor of Information Technology
2024 – Present
Texas College of Management and IT

Computer Engineering (High School Level)
2020 - 2024
Mahendra Maheshdev Secondary School
GPA: 3.52 / 4.0
